

Accelerating Clinical
Data Exchange™

50% of ACOs have yet to decide
on their reporting method for 2025.

If you're among the ACOs still evaluating your reporting options
for 2025, now is the time to make an informed decision.

Five Reasons to visit MRO at Booth L:

- 1 EHR Connection or QRDA-1, learn about your options for reporting in 2025.
- 2 Learn how to manage the transition to eCQMs and ensure compliance with upcoming requirements.
- 3 Hear how we successfully supported eCQM measures for 8 of the first 11 ACOs via APP.
- 4 Ask how our Qualified Registry (QR) can simplify your data submission to CMS via APP.
- 5 **Win a pair of Beats Studio 3 Headphones.**
